Chapter 1 by Billy The Goat

Hi. My name is Sam Micfarlin and I go to A school called Himpher Hamilton in Texas. I have a lot of stuff that I still want but my parents are making me get rid of them and I am very upset. So I want for them not to get rid of them so that I want to play with them after school. I want more toys than I already have. My parents names are John Micfarlin & Lisa Micfarlin. I think they are mean to me but I live with it and the one thing I want in my like is for my PARENTS TO NOT TAKE MY TOYS. I am thinking about running away but then if I do I will not have any money to get food and I will not be able to drink anything cause I wont have any money so I am going to make money by giving car washes, doing a lemonade stand ETC. Anyway I am going to start raising money today and my goal is to make \$500\$ by the end of the day and He did not even get half that much of what he wanted to get all he got was \$103.44¢. So the next day had come and he started and he made \$97.91¢. The next day came and the next and the next he got \$949.99¢. So he left and had come back 49 days 22 hours 52 minutes and 12 seconds later. I want more money than I had so I came back home and raised \$4093.22¢ within 2 months and 4 days exact but then I left agin and I came back 4 years 2 months 5days 58 hours and 59 seconds later and I had trouble doing a lot of things but the good part about having that much money raised is pretty good but life was tuff not being in the house.
